LENAWEE COMMUNITY MENTAL HEALTH AUTHORITY

ANNUAL REPORT

2021

To Promote Positive Outcomes by Creating a Path to Resilience, Recovery, Wellness and Self-Determination

BALANCED SCORECARD How we evaluate ourselves

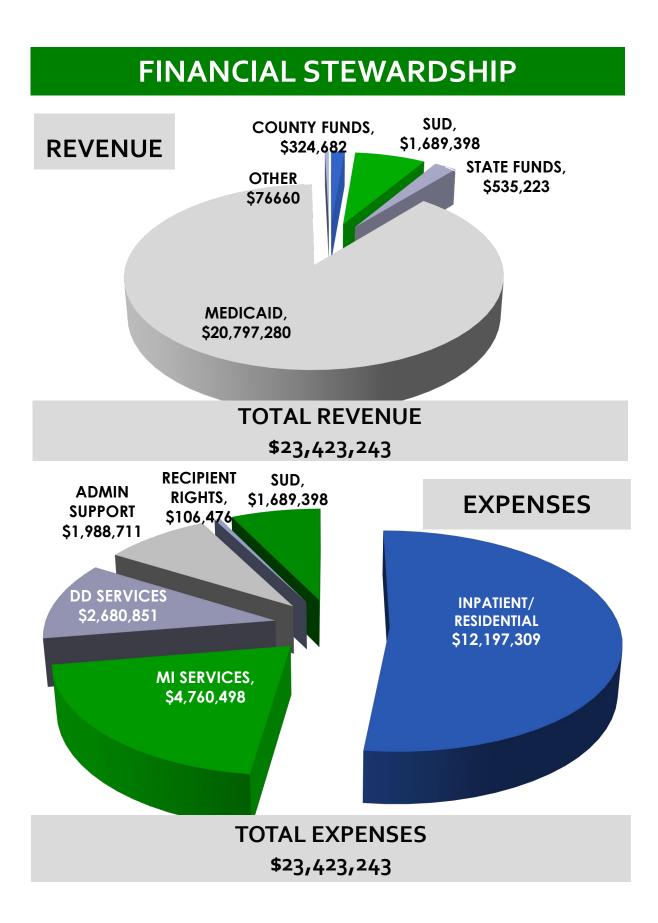

HEALTH INTEGRATION

The Family Medical Center at 1200 N. Main, Adrian, MI 49221 co-locates LCMHA Psychiatrists, nursing and reception staff, Integrated Health Supervisor, Integrated Health Care Manager and Outpatient Therapists in a medical building that houses primary care physicians, dentists, DHSS office, lab services, physical therapy, pharmacy and behavioral health.

This is a one-stop shop for many of our consumers who previously did not have a primary care physician. FMC staff are actively working with LCMHA to continue to increase integration by being active members on committees and workgroups. LCMHA has strengthened referrals to the community with "warm transfers", increased coordination with consumers, primary care providers and assists with discharge orders from the ER or hospital stays. FMC has a medication assisted treatment program to support those that are interested in recovery from substance use.

LCMHA is utilizing Medicaid claims data to recognize high utilizers of the hospital emergency rooms and offers physical and behavioral supports to decrease those numbers. Data is also used for case consultation to support CMH staff along with monthly collaboration with each Medicaid HMO Plan in our county.

INVESTED IN PREVENTION

LCMHA facilitates the Lenawee Substance Abuse Prevention Coalition: a diverse and extensive cross section of agencies/organizations and individuals who are committed to issues facing Lenawee, particularly the opioid crisis. Initiatives include improving access to medication assisted treatment; education; building relationships with law enforcement and the jail; providing support wherever possible. Completed Year 1 of the HRSA RCORP Implementation Grant in partnership with Lenawee Health Network.

COMMUNITY PARTNERS

Community Mental Health acts as the backbone organization of the Collective Impact Core – which includes representatives of each of the Collective Impact groups in Lenawee County. There are currently five different groups using the Collective Impact Model:

- Lenawee Essential Needs Council (food, housing, transportation and utilities)
- OneLenawee (making and keeping Lenawee a great place to live)
- Lenawee Health Network (improving the quality of health in Lenawee)
- Lenawee Financial Stability Coalition (expanding budgeting and saving through education and skill building)
- Lenawee Cradle to Career (maximize educational opportunities)

Trauma, informed care and resilience have been identified as common issues affecting the work of all of our Collective Impact Workgroups and has become the focus of our work. Collectively, we are working to increase awareness, education and resilience for the greater community. The Collective Impact Core also sets the agenda for monthly Community Collaborative Meetings- these are open to anyone in the community to attend. The Collaborative meets to share information, provide CI group, agency and other coalition updates ,and provide an opportunity for networking.

COMMUNITY OUTREACH

LCMHA continues to reach out to the community to listen to their concerns, provide education and community enrichment in order to break down the barriers for persons with behavioral health conditions.

	In 2021 we participated in:		
Project Connect	Seeking Safety Group	Engagement Groups	
E-Race Stigma 5K Run, Walk & Kids Dash	Victims Service Unit & Steering Committee	State Walk a Mile Rally	
Lenawee County Community Crisis Team	Domestic Violence Task Force	Comstock Christmas Tree Program	
Day of H.O.P.E.	Lenawee Treatment Courts	Consumer Action Committee	
Adult Mental Health First Aid	Drug Take Back Day	Every Door is the Right Door	
Lenawee Substance Abuse	Hunger Free Lenawee		
Prevention Coalition Basic Motivational Interviewing	Lenawee Emergency Operations Committee	Regional Consumer Advisory Committee	
Advanced Motivational Interviewing	Lenawee CISM Team	Lenawee Transportation Corporation Board	
HRSA Rural Communities Opioid Response Program	Continuum of Care	Lenawee Human Services Collaborative	
Continuum of Care – Point in Time Count	SMART Recovery Support Groups	Parent Management Training – Oregon Model (PMTO)	
Lenawee Financial Stability Coalition	Cradle to Career	Collective Impact Core

Average length of stay (days)	7.99	8.23

OPERATIONS EFFICIENCY

All individuals in need of mental health services, regardless of urgency, can access services at LCMHA by walking into our offices or by calling 517.263.8905 or 1.800.644.5005.

It is the mission of the Access Center of LCMHA to arrange for effective, medically necessary mental health and substance use services for residents of Lenawee County. The Access Center is the single entry point in Lenawee County for individuals, their families and community partners who seek services from the public mental health and substance use system, including medical professionals, hospitals, law enforcement, schools and other providers. We serve individuals and families with several benefit packages: Medicaid, Healthy Michigan, and individuals with no resources are served with General Fund monies from the State of Michigan.

Emergency Services:

We participate on the Lenawee Sheriff's Dept., Victims Service Unit, which is a team of emergency responders who have been trained by state and local law enforcement to provide immediate, on-site assistance to families dealing with the aftermath of a crisis. Response teams accompany emergency personnel to the scene, to provide support and assistance to survivors, helping to connect them with the services they may need.

LCMHA has accepted the responsibility of being Lenawee County's 24 hour Community Crisis Response contact agency. The Lenawee County Community Crisis Team provides crisis management, debriefing, defusing, and follow up services for traumatic events such as: accidents, abuse, bomb threats, deaths, suicides, fire, natural disasters, terrorism events, etc.

The LCMHA continuum of care includes immediate 24 hours, 7 days per week emergency and urgent care for all of the current consumers, potential consumers, and all residents of the state of Michigan.

Information about LCMHA can be found on our website: <u>www.lcmha.org</u>. We also have a Facebook page.

MDHHS DATA YEAR END REPORT 2021

		1st Qtr	2nd Qtr	3rd Qtr	4th Qtr
INDICATOR #1 % of Referrals completed within 3 hours or less	Children	100	100	100	100
	Adults	100	100	100	100
INDICATOR #2 % of persons receiving an initial assessment within 14 calendar days of first request	MI Child	71	76	69	85
	MI Adult	60	70	85	81
	DD Child	70	90	63	91
	DD Adult	67	75	100	71
	Total	64	73	81	82
INDICATOR #2b % of persons receiving treatment or supports within 14 days	SUD	82	81	90	90
INDICATOR #2e % of persons that did not receive treatment or supports after first request	SUD	27	18	28	30
INDICATOR #3 % of persons started service within 14 days of assessment	MI Child	77	84	53	46
	MI Adult	64	79	79	79
	DD Child	80	100	100	80
	DD Adult	67	67	100	100
	Total	70	81	76	72
INDICATOR #4a % of persons discharged from Psych. Inpatient	Children	100	100	100	100
seen within 7 days	Adults	100	95	98	98
	Total	100	96	98	98
INDICATOR #4b % of persons discharged from substance abuse detox unit seen within 7 days	SUD	89	100	75	100
INDICATOR #10 % of discharges readmitted to Inpatient Care within 30 days of discharge	Children	0	0	38	13
	Adults	9	21	10	10
	Total	8	18	13	10

*Thresholds – #1 = 95%, 2a. b, e, 3a, b – new calculation starting 4.1.20 – threshold has not been established. 3b indicator removed, now included in 2b/2e. 4a, b = 95%, #10 = 15%.

CONSUMER SATISFACTION THROUGH ADVOCACY; AWARENESS AND ANTI-STIGMA

Consumer Action Committee is focused on educating the community about mental illness; promoting self sufficiency, and educating consumers on current and pending legislation. Members of Consumer Action Committee are active on many community groups, and act as the consumer voice at LCMHA board meetings.

In September, two members of CAC (Jen Durell & Mark Roman) testified in Senate Hearings on behalf of the behavioral health system. Their voices were heard, and CAC continues to advocate of behalf of its most vulnerable citizens in favor of improving the current system, rather than dismantling it altogether!

Projects the Consumer Action Committee participated in and/or organized in 2021 included:

- E-Race the Stigma 5K Run/Walk & Kids Dash
- Mental Health Awareness Lansing Walk a Mile Rally
- Day of HOPE
- Every Door is the Right Door
- Celebration of Success
- Attended Regional Meetings
- Continues to be the voice of the people we serve by representation on:
 - Lenawee Substance Abuse Prevention Coalition
 - Regional Consumer Advisory

CONSUMER SATISFACTION

THROUGH SUPPORT AND RECOVERY

In addition to a focus on overall health, LCMHA, together with many community partners, has developed a county wide Recovery Oriented System of Care (ROSC). Networks of organizations, agencies and community members that coordinate a wide spectrum of services. The Lenawee ROSC partnership has been meeting since June 2012 to build a continuum of support for individuals with substance use disorders and their families. This group finalized a strategic plan for the community. In 2021, a total of 424 consumers were treated for substance use disorders. Even though the committee does not meet regularly, especially now due to COVID restrictions, many of the partners continue to work on collaboration, continued support, and improvement of the ROSC system with LCMHA as one of the leaders in this initiative. Some of the collaboration comes from the Lenawee Health Network, the Lenawee Substance Abuse Prevention Coalition, and many other groups in our community. By using the ROSC model of community involvement the Lenawee community residents greatly benefit from all services and supports that are available to persons dealing with substance use issues, and their families.

Interconnections Inc. Drop in Center is a safe place for people who have experienced a mental illness or substance use disorder with a mental illness sometime in their life. This is a 501.C3 (non-profit) organization completely staffed by persons who have had, or are in recovery from, a mental health disorder. The Board of Directors are persons who have personal knowledge of mental health disorders. All staff are certified peer support specialists, certified by the State of Michigan and the Center is a member of the Michigan Drop in Centers through JIMHO (Justice In Mental health Org). Anyone in the community over the age of 18 years is welcomed at the Center and there is never a charge for any of their services. Services include, but are not limited to, exercise groups; smoking cessation support groups, bipolar/depression support groups; diabetes and chronic pain management classes; cooking classes, linking with community resources as well as one on one support from staff. The center is open daily from noon to 6pm.

Pathways Engagement Center provides a warm, welcoming and safe environment for persons seeking help with substance use issues. Pathways is a place a person can gain immediate access to resources, support, advocacy and referrals at a time and place that is not generally available or open to persons looking for help. Pathways is staffed with Peer Recovery Coaches who are in long term recovery themselves. It is open 8pm – 8am Monday through Thursday, and Friday 8pm through Monday 8am. While it is not a shelter (we do not have beds), individuals may stay at the center for up to 23 consecutive hours. Smart Recovery Groups are held twice daily and more often on weekends.

LCMHA has several levels of Peers working throughout our service spectrum. A Peer is someone who has, sometime in their life, received services for the same issues of those they are working with. We have a Parent Support Partner who knows what a parent goes through with their child who is receiving services. The Parent Support Partner helps empower the parent(s) through education and resources. They can help parents prepare for upcoming IEP's, school meetings and doctors appointments. A Youth Peer Support Specialist can relate to the youth receiving services by sharing their own experience and helping the youth determine the right path for them. The Youth Peer can be someone the youth relies on to help him/her understand what is going on.

ORGANIZATIONAL CAPACITY

As a public entity, LCMHA realizes its responsibility to be accountable to the community for what we do and how we do it. We are always working to assure that we are providing the right services to the right people at the right time. We work to assure that those we serve are treated with respect. And, we work to manage our operations using financially sound strategies. With these goals in mind, below are some of the accountability measures we employ across our system to assure the highest standards of accountability:

LCMHA is accredited by the Joint Commission.

LCMHA is Certified by MDHHS; and is a member of CMHAM (Community Mental Health Association of Michigan).

Financial & Compliance Audit: LCMHA contracts with an independent accounting firm – Roslund Prestage & Co, who audit in accordance with Government Auditing Standards.

The Office of Recipient Rights: Rights protection is provided by LCMHA. Potential rights violations, medication errors and other potential risks to consumers are identified, investigated and remedied effectively and in a timely manner. If you have questions about your rights, call the ORR, 517-263-8905 or 734-544-3000.
