1. Welcome and Introductions

2. Review Data

✓ CMH Handout
✓ Dr. Yaroch reviewed ProMedica information, background, historical data, future projections, barriers/gaps and alternative considerations
  o Possible solutions discussed:
    ▪ Pathways to be open 7 days per week, this will help with co-occurring population
    ▪ Peer Recovery Coaches to be on call for the ER
    ▪ Availability of Ortel for referrals 5 days per week
    ▪ Grant opportunities for a crisis center
    ▪ Continued use of a Care Navigator available at ER
    ▪ Tele-psychiatry for outpatient mental health beginning this summer (adults)
    ▪ Additional providers required for children and geriatric services
    ▪ Build Monroe Hospital to capacity
    ▪ Work with the state/Ohio on contract language/rights issues
    ▪ Reduction of petitions
    ▪ Build capacity for medication assisted treatment
    ▪ Behavioral health specialists available at primary care offices
    ▪ Address mental health needs in schools

3. Presentation at Full Group Meeting - February 19th, 4pm at the Family Medical Center. Jackie will co-ordinate with Diane regarding presentation of data.
4. Other issues. Future meeting dates - several options to be suggested to ensure representation from ProMedica.

Meeting adjourned at 5:25pm.
