Lenawee C2C Executive Committee

November 17, 2015

10:00 a.m. - Noon, LISD Education Service Center

Attendance: Ann Hinsdale-Knisel, Michael Masters, Shannon Elliott, Stephanie Dinius, Peggy Molter

The meeting was called to order by Shannon Elliott at 10:00 a.m.

- The committee viewed a video that was prepared by Stan Masters on the following:
 - ACT Results – Public statewide results were released by MDE on 10/27/15. Public district results were released to www.MISchoolData.org on 11/6/15. This data represents all Lenawee County students, including students in LISD programs.
 - Public school absenteeism, including the percentage of K-12 students chronically absent and the number in each grade level chronically absent in 2014-2015. This data has been disaggregated by race/ethnicity, gender, economical status, and special education status.
- Janelle Stewart, MSU Extension 4-H, and Taz Wallace, Madison Graduation Coach, have agreed to co-chair the Student Success Network, High School Graduation.
- 12th grade profile of college readiness attributes are being collected by district counselors.
- MiPHY surveys are being administered in our 11 public schools with assistance from several community partners.
- The LISD is assisting local school districts with the completion of two MDE literacy grants to support reading proficiency by grade 3.
- Peggy Molter reviewed College Week in Lenawee County this fall. Data may be available after Thanksgiving.
- Michael Masters shared a schematic of Cradle to Career and plans to share this first draft at the C2C Leadership Team meeting, December 15th, 10:00 – Noon.

The meeting adjourned at Noon.
