Lenawee C2C Executive Committee

July 25, 2017, 10:00 a.m. - Noon

LISD Education Service Center, 4107 N. Adrian Hwy., Adrian, MI

Attendance: Stan Masters, Mark Haag, John Haught, Ann Hinsdale-Knisel, Shannon Elliott, Michael Masters

Kindergarten Readiness Spring data collection and results of the standard setting:

- Stan Masters shared the results of the Kindergarten Readiness standard meeting in June. After collecting three years of BRIGANCE assessment data, the committee found a 1% change in the students ready for kindergarten and those that are not: 51% ready compared to the 50% the last two years. Also, the committee is seeing a difference in children who have attended preschool and those that have not. This year, social – emotional data was collected for 477 of the 951 students who took the BRIGANCE assessment.

Update on Theory of Action movement from the Emerging Gateway to the Sustaining Gateway:

- STRIVE is asking our partnership to be a model for continuous improvement as we grow the partnership (i.e. begin network meetings with a review of the data we have at the student level and review strategies that have been suggested or decided on for the network and our partners to implement). We are also looking for ways to validate the data with others who are not at the “leadership table” (student and parent voices, for example)

Inventory of Lenawee Success/Graduation Coaches survey:

<https://www.surveymonkey.com/r/LenaweeSGCI>

- An online questionnaire was reviewed about the Graduation Coaches/Success Coaches we have in the county – the questionnaire will go to the C2C Leadership Team next month for their approval.

The meeting adjourned at Noon.
