Dear Lenawee Cradle to Career Partnership Network:

We are excited to announce that the **2015 Community Report Card** is now available for you to read and share with others in the county. The report can be viewed at the Lenawee Cradle to Career website at: [http://www.lisd.us/lenawee-crade-to-career-2/](http://www.lisd.us/lenawee-crade-to-career-2/). After you have had a chance to review it, please discuss the possibility of putting it on your workplace website for others to see. This Partnership is about bringing the community’s resources into a closer working relationship with the needs of students, and we can only do that if we work more effectively together.

The Lenawee Cradle to Career Leadership Team is working on adding additional members to the team. If you know someone who would be an energetic team player, please send Ann Hinsdale-Knisel (ann.knisel@lisd.us) their name and contact information, and she will contact them.

Many thanks for your continued support of our mission: *To ensure that everyone has pathways to reach their potential: cradle to career.*

Sincerely,

Lenawee Cradle to Career Co-Chairs
