## ■ **MEET UP and EAT UP**

- Letters were sent, Information Cards were handed out. We were unable to meet with superintendents. Next year we need to reach out to the schools in February to ask about who is applying for the program.
- The goal for supporting this effort is to increase usage.
- Vickie Pfeifer stated that “Dinners on Us” suggested that we reach out to the network of churches in Lenawee County. Care Pregnancy Center may have the contact information.

## ■ **Pantry Visits**

- Time to start revisiting the pantries. Andrea and Cynthia reported that the Tool Kits are almost completed. We need to have the follow up visits done by September. The Community Foundation will assist with printing out the tool kits and signage for the pantries. Andrea is going to create a schedule and send it out electronically.

## ■ **The Structure of HFL!**

- We reviewed the “Plan” that was last updated in 2015. We discussed having a Chair, CoChair and Secretary. We need to establish job duties, update the plan and nominate individuals that will fill the positions.
