Read 2 Feed

- April 27th from 9-2:00 at Goodwill Industries on Division

  - This years Goal is 6 tons, last year 4 tons were collected

  - The Schools will collect from April 15th thru the 26th and deliver to Goodwill on the 27th.

  - WE NEED VOLUNTEERS to assist on the 27th There will be 2 or 3 trucks and we need to sort, weigh and fill the trucks.

  - We hope to have a live Remote from WLEN. We can promote the importance of cash donations vs actual food donations

  - Goodwill will be the fiduciary for cash donations

  - Terrie Ball from FMC is going to request a donation of T-Shirts for volunteers

  - Last year we divided it up evenly. This year we would like to do it based on need

    - At next HFL we will evaluate data and make a decision of how to divide

      - The Food Bank will get us information on their distribution

      - % receiving Food Assistance based on Zip Codes

      - Reach out to pantries and request 6 months of distribution data
Nancy will write a letter to the pantries to ask if they would like a donation, can they pick it up or do they need it delivered, what items they distribute, requesting volunteers for 04/27 and asking if they would like cash donations deposited in their accounts at the Foodbank or given directly to the agency.

On Monday 04/29 we will sort what food did not get distributed from 8-10, pantries can pick up from 10-12 and we will deliver what needs to be delivered after 1PM. WE NEED VOLUNTEERS TO ASSIST.

Central MI 2-1-1 would like to do a food drive as well. It was suggested that they wait until closer to summer. We can reach to the CORE to do a driver as well, however we really want to focus on cash donations and continue to educate how much more efficient cash donations can be.

Family Medical Center is looking for partners so they can have a pantry at their location. In Monroe County they partner with MCOP and God's Harvest. They distribute food once a week at the Temperance Family Medical Center.

Data if you have current data for the data sheet send it to Nancy

Cooking Matters starts on 03/20 to register contact Vickie Pfeifer at 517-264-5303

The next Lenawee County Health Check is scheduled for 04/11/19. Nancy will email out flyers.

MISSION STATEMENT: Leveraging the power of Collective Impact in order to fight hunger by efficiently utilizing all of the resources available in Lenawee County.

Next Meeting Date

- There will be NO January Meeting
- April 2nd, 2019 @ 1:00PM @ DHHS
