07/20/21

Emily Pickney – United Way, Laura Pipis – United Way, Nancy Bishop – DHHS, Madeline DeMarco – Community Mental Health, Vickie Pfeiffer – MSU Extension, Anne Walker – First Presbyterian Church of Tecumseh, JoAnn Baty – St. Vincent de Paul, Julie Conley – ProMedica Farms.

- We discussed how we can continue to support COR Ministries agenda. In addition, what can do as a group to support all the local pantries.
- We discussed how to increase communication; we would like to ensure equitable distribution of information.
- It may take more than one form of communication
 - o Emails
 - o Facebook
 - o Text Messages
- Volunteerism is down everywhere, we discussed how this is impacting the pantries.
 - o We discussed reaching out to organizations, rather than individuals as we may get more support
 - The Kiwanis Club is known to be helpful
 - There are 3 universities in Lenawee. The students could be an asset.
- Gus Harrison
 - o At the last HFL meeting it was brought up that there are often fresh produce donations that come from Gus Harrison. How can we ensure that these donations are equally distributed throughout the community? JoAnn Baty is going to reach out to the prison and invite them to the next full HFL meeting.
- Bylaws
 - o The Bylaws meeting was scheduled at 2 so we moved right into this
 - o Nancy shared the draft of Bylaws that were written in 2017. The group wanted to review them and share them with the larger group.

Meetings are every month on the third Tuesday at 1:00PM
