

# Lenawee Essential Needs Council

MINUTES from June 6, 2017, 2017

- **Call to Order/Roll Call:** Nancy Bishop, Lynne Punnett, Burt Fenby, Olivia Ehret, Laura Pipis, Tim Kelly, Brittany Stover
  - We talked about how supporting basic needs is a way to prevent trauma and how we can support having a trauma informed community
  - Communication between the sub committees:
    - ◆ previously we talked about having presentations at the sub committees- the 12 Week Year
    - ◆ Do we hold an ANNUAL meeting where we bring all of our subgroups together to share what each is doing and encourage collaboration?
  - Communication with the CORE
  - Communication with Frontline Staff. We talked about the Community Foundations Every Door is the Right Door. This is a great way to communicate but can we bring something directly to the front line staff.
  - The Transportation group has started meeting again.
  - Their next meeting will start at end “What would it look like if the transportation problem in Lenawee County was fixed?” and then we will go backwards from there.
  - LCF grant recipients were recently announced
  - Share the Warmth is moving forward announcements will be made soon about where there new location is to be held

- The Lenawee County Mission continues to move forward with the women's program; possible location will be the old CQC building behind the Post Office

- The United Way Day of Action is scheduled for August 18<sup>th</sup>.
