
Frank Nagle called the meeting to order at 8:00 a.m.

Minutes Review- May 10, 2018 meeting minutes approved.

Overview:
- 2017 Community Health Assessment (CHA) (Frank Nagle)
  - A 2017 Lenawee Community Health Assessment Power Point was presented to LHN members.
  - The presentation has been shared with ProMedica Bixby and Herrick Leadership, Medical Staff as well as the Hunger Free Lenawee Network. Additional meetings are being scheduled with the Kiwanis Club of Adrian, The Rotary and other groups.
  - Members communicated that the percentage of adults that go outside of Lenawee County statistic seems to be somewhat misleading. How does this compare to other counties? Is this an accurate depiction? Frank will discuss with Hospital Council of Northwest Ohio and utilize their website to compare to other counties.

Strategic Plans / County Goals:
- LHN Lifestyle Choices Strategic Plans
  - Members participated in a Round Table discussion and exercise to identify gaps based on the results of the 2017 Lenawee Community Health Assessment. For details, please read the Round Table section of the meeting minutes.

- 2018 Memorandum of Understanding
  - 16 agencies have submitted their MOU for the LHN. If your agency would like to receive updates about the LHN and be listed as a 2018 member, please complete the MOU and submit to Frank Nagle – frank.nagle@promedica.org.

- Member Surveys
  - 10 members have completed and submitted the LHN member questionnaire. The purpose of this document is to understand your agency’s/organization’s interests and resources so that we can enhance our collective impact abilities in Lenawee. Please submit all completed surveys to Frank Nagle – frank.nagle@promedica.org.

- Progress Reporting Schedule and Format
  - Quarter two LHN progress reporting meeting through Free Conference Call will be scheduled for July 23, 2018 from 3:00 pm to 4:00 pm. Members are able to call in at any point during the hour period to provide their updates and to sign off.

Round Table Discussion:
1. Based on the results of the 2017 Lenawee Community Health Assessment, are there additional high priority needs for the LHN to address?
   - Areas that stood out to members include
     - Trauma, mental health (adults and youth), asthma rates, cancer treatment and support, more local options for primary and specialty care,
2. Based on the results of the 2017 Lenawee Community Health Assessment, are there additional strategies/metrics we should implement/evaluate?
   - Members supported adding two leadership strategies in response to the results of the 2017 Lenawee Community Health Assessment:
     - Establish mutually reinforcing strategies with Collective Core Impact groups to align health improvement efforts. (Mental Health, Youth)
     - Evaluate increases in diagnosis rates (asthma, other) and evidence based models in response to health needs.

3. How do you anticipate utilizing the LHN Google Drive? How can we enhance this resource?
   - This question will be discussed at the July LHN meeting. Frank will provide a tutorial for participants on how to access the Google Drive, how to save it as a shared drive and to answer questions.
   - MHP Salud recommended that a document be developed that shows sequential steps and tips for members to access the Google Drive so that they have the information after the meeting concludes to reference.

Network Collaboration:
- RFP / NOFO
  - CDC REACH Grant – This grant requires the geographic location to have a poverty level of 20%. Given this criteria, LHN members determined that we would not pursue this grant opportunity. Grants are continuously being review that support collective impact throughout Lenawee County.

- WLEN Radio Spots
  - Community Mental Health has graciously provided the LHN with radio spots to bring awareness to the health of Lenawee County residents and the resources available to them. Ads are in development related to the LHN’s three goals and awareness of where to identify resources. Drafts will be reviewed at the LHN Leadership meeting and an update will be provided at the July LHN meeting.

- Splash and Dash (YMCA of Lenawee County)
  - July 14th, 2018 at Bohn Pool and Riverside Park.

- Chronic Pain Path (Region 2 AAA)
  - August 6 – September 10, 2018; October 1 – November 5, 2018; November 12 – December 17, 2018.

The LHN’s next meeting will take place on July 12, 2018 from 8 am until 9 am located at ProMedica Bixby Hospital’s Merillat Center.

Respectfully Submitted,

Frank Nagle
Project Coordinator
ProMedica Bixby Hospital
