At the start of the meeting, Frank Nagle announced the attendees (11) present: Sue Lewis, Martha Hall, Jackie Bradley, Cari Rebottaro, Frank Nagle, Martha York, Tara Dumas, Beth Deakins, Lisa Schultz, Emily McCall, and Willie Smith.

Minutes Review – March meeting minutes were unanimously approved by members.

Strategic Plans / County Goals:
- **Collective Impact Core (CIC) Updates** – The CIC has updated their reporting template to include all group updates on one document. Each month, this update report will be uploaded to the Collective Impact folder on the LHN Google Drive. Please review updates happening across the collaborative network so that we can continue to identify opportunities of collaboration.

- **LSAPC Opioid Task Force Action Plans:**
  - All workgroup action plans are uploaded to the LHN Google Drive under folder 4, LHN Action Plans. To request attendance at future meetings, please contact Jackie Bradley.
  - Prevention Workgroup Goals –
    - Improve capacity for early identification and referral for substance abuse services for Lenawee County Youth.
    - Establish an initiative for Hospice to dispose of medications.
      - Discussion of how other communities address disposal of medications for individuals who are homebound.
  - Public Safety Workgroup
    - Establish a medication assisted treatment program in the jail that includes a continuation of services during community re-entry and after.
    - Establish a triage team for first responders to contact to make referrals to (24-hour peer recovery response team).
      - Has meeting schedule with Family Medical Center to discuss process of referring individuals to Medication Assisted Treatment (MAT).
  - Treatment, Recovery, and Medical Workgroup
    - Establish recovery support Community Re-Entry services for individuals re-entering the community due to jail release, hospital/E.R. discharge, and inpatient treatment discharge.
    - Increase access to Medication-Assisted Treatment and Addiction Detoxification Services.

- **Family Medical Center Medication Assisted Treatment (MAT):**
  - FMC has four physicians who have completed waiver training and are prescribing medication assisted treatment. FMC is at a point now to discuss receiving referrals from organizations identifying individuals in need.

- **Drug Take Back Day:**
  - The next Drug Take Back Day will take place on Saturday, April 27, 2019 from 10:00 am – 2:00 pm at ProMedica Bixby Hospital. Please share the event flyer from the LHN Google Drive within your agency and in the community.
  - The community can turn in their unused or expired medications for safe disposal. Items that can be disposed at the event include your prescription, over the counter, and pet medications; sharps, liquids, solids, ointments and inhalers.
  - Please leave medications in their original containers and please remove or mark out personal information on the label.
Round Table Discussion:
Attendees participated in a round table discussion focused on the LHN Goal to reduce opioid addiction and abuse in Lenawee County.

- Opportunities for Collaboration:
  - Peer Recovery Coaches in Bixby Hospital emergency department
    - ProMedica Bixby Hospital met with McCullough Vargas to discuss potential models of peer recovery in the ED. Bixby will conduct a feasibility study to determine the scope and scale required within this four-month pilot project. During the project, leaders will develop a sustainability plan to ensure that the model is adapted based on lessons learned and continues.
    - Lenawee County Health Department received a small grant to do education and promotion of Drug Take Back Events.
    - The Senior Lifestyle Expo takes place on September 10 and perhaps there is opportunity to include drug take back as an option at their event.
    - Care Giver Conference takes place on May 16 at the Weber Center of Sienna Heights campus. Perhaps there is opportunity to do education at this event.
    - Safe Sound and Secure event takes place on August 16. Perhaps there is opportunity to provide education at this event.

- Other:
  - MI Bridges is a platform through DHS that is intended to serve as a hub facilitating referrals and communication between organizations. Frank will reach out to Nancy Bishop to see if she will do a highlight of MI Bridges at a future LHN meeting.
  - Michigan Opioid Collaborative/CMH - the next MAT waiver training will take place in Ann Arbor. More details to be shared when the date is established.
  - Region 2 AAA – starting next Diabetes Path cohorts. Individuals can register by contacting Region 2 AAA office.
    - Starting Matter of Balance program at the Adrian Senior Center.
  - YMCA – starting another Diabetes Prevention Program class at the end of April. Contact the YMCA of Lenawee for more details.
    - Working on a project to establish a referral system between Diabetes Self-Monitoring Education Programs so that individuals have connectivity to resources if they are diagnosed with Diabetes and not eligible for the Diabetes Prevention Program.

The LHN’s next meeting will take place on May 9, 2019 from 8 am until 9 am located at the Merillat Center of ProMedica Bixby Hospital.

From 9 am until 9:30 am, a brief tutorial of accessing and utilizing the LHN Google Drive will be offered to members. Please bring your laptop or preferred electronic device to walk through the functionalities of the LHN Google Drive.

Respectfully Submitted,

Frank Nagle
Manager Population Health
LHN Chairperson
ProMedica Bixby Hospital and Herrick Hospitals
