Leadership Updates

Inspiration & Appreciation:

- “How can we make the healthy choice the easy choice?” was the quote shared for this month’s meeting. It is important for us to analyze how we can encourage healthy behaviors with our resources & efforts.
- Appreciation: “I am grateful to all the folks working at ProMedica Farms and at all the local community gardens for all the work they are doing to prep the garden for the growing season, planting that yummy produce, and the educational materials they are planning! As someone new to the "gardening world," I have a newfound appreciation for all of the time, energy, and knowledge that goes into growing things (especially when Mother Nature doesn't want to cooperate)! Thank you for helping to provide fresh food to Lenawee County!”
- Please submit quotes of inspiration or notes of appreciation, please send to frank.nagle@promedica.org by the 4th Friday of each month.

COVID-19:

- Membership suggested adding vaccination rates to the monthly COVID-19 update. LHN Leadership will add this data to the monthly meeting presentation slides.
- As of 05/06/2021, Lenawee County has 9,063 positive cases:
 - o 4213 males and 4850 females
 - o 12 hospitalized
 - o 420 monitoring at home

2020 Lenawee Community Health Assessment:

- The final draft of the assessment will be available by the June LHN meeting.
- LHN Leadership to review plans for CHIP session #2 and presentation of the assessment to the community.
- Recommended by the LHN to break-out CHIP strategy sections by component (chronic conditions, behavioral health, determinants of health).
- LHN participants supported scheduling the presentation to the community in June to allow sufficient time to raise awareness.

Superior Health Presentation

- Josh Suire is a Senior Manager of Safety & Quality for the Michigan Health and Hospital Association Keystone Center as well as a Quality Improvement Advisor (QIA) for Superior Health Quality Alliance. Josh has been a Registered Nurse for 10 years and brings experience in clinical performance improvement and patient safety. As a QIA, Josh is here to provide resources to community coalitions in Michigan and help each team meet mutually established goals.
- LHN participants now have access to [Super Health Connect Events](#). Click the hyperlink to see or participate in no cost educational opportunities currently available. Additional education opportunities are in development and will be shared.
