Community involvement planning

- SHU Update - 9/10/18. For better turnout we had a face book suggestion that signage and event calendar have info posted. Several students have commented that they wished signage was present. Posters were made and given to SHU. Not sure where the disconnect was.
- Adrian College to be scheduled – October 4, 11:30 – 1:30 pm. Kay/Jen and Amanda’s young adult class at Adrian College.

Advertising

- Shirts – everyone loves them, have had to do a reorder
- Bracelets – are in, looks really nice, important to note that if someone says they need someone to talk to the person wearing the bracelet can take it off and hand it to him/her, with the suicide hotline number right on it.

Senior’s project - Kay will send out email to group to see who wants to be on subcommittee. Will also include Dept. On Aging and Reg. 2 Area Agency on Aging.

Veteran’s – Wounded Warrior train in Blissfield possibly had opportunity, Brock will try to think of other opportunities. An email will be sent to Karen at VA to see if she would like to sit on subcommittee. We discussed holding a “party in the park” type event for next summer.

Other:

- Putting up posters – HSB, FMC, Colleges, hospitals – discuss next month
- We had to do a readjustment on the meeting dates as the 4th Friday falls on the LCMHA board meeting day/time. Several members need to be at the meeting so we will now be meeting on the 4th Wednesday at 4:30 – 5:30 pm.
