Who we are...

**CPIFRS - Carick Prevention Intervention Facility of Resource Solutions** is an early-intervention home visiting agency. We are a state-approved MIHP-Maternal Infant Health Program provider.

Our team of Registered Nurses and Social Workers truly understand how one resource or referral does not fit all our needs. So we combined our Resource Solutions with our MIHP training to work together with you and your family during pregnancy and infant growth/development.

- We work with you to identify needs
- We provide in-home support, education, resources, and referrals
- We assist in connecting you to a wide variety of community services that match your needs

---

**About MIHP**

The Maternal Infant Health Program (MIHP) is the largest home visiting program in the state of Michigan. The service is designed to assist and help families support their basic needs, prenatal and parenting education, and referrals to community resources.

---

**Our Services**

Our services are no cost. All the services you receive are 100% covered and paid for by your Medicaid Health Plan (ex. Aetna, Molina, Blue Cross Complete, Meridian, McLaren, United Health, HAP, Total Health, FFS).

You are eligible for our program if are:

- Medicaid insured Pregnant woman
- A Parent or Caregiver of a Medicaid insured infant under 1 year
- Medicaid insured and experiencing substance use during your pregnancy
- A Parent or Caregiver of a Medicaid insured infant under 1 year who was substance exposed at birth
