

Consumer Spotlight

Do you know a consumer who has reached a certain milestone; or who has had a small success, or a large success? is there a certain staff who deserves some recognition; someone who has gone "above and beyond" what would normally be expected of them? We want to hear from you! Nominees will be recognized personally in a manner they feel most comfortable with. They might be invited to a board meeting, or it could be a simple one-on-one acknowledgement! We would spotlight them in the newsletter and on social media if appropriate.
