Re: Reporting Safety/Quality Concerns to the Joint Commission

As Lenawee Community Mental Health Authority (LCMHA) is accredited by the Joint Commission, LCMHA is required to notify all LCMHA staff and Licensed Independent Practitioners (LIPs) that any employees, LIPs, or other individuals who provide care to our consumers and who have concerns about the safety or quality of care provided by the organization may report these concerns to the Joint Commission. LCMHA will take no disciplinary or punitive action if an employee, LIP or other individual who provides care to our consumers reports safety or quality of care concerns to the Joint Commission.
